- ❑ **Class Assignment Committee** meets three times a year to assign students to classes. Attention to detail is a must.

- ❑ **Instructional Media Committee** learns to operate the audio-visual equipment and teaches facilitators and hosts how to use the equipment for their classes.
- ❑ **Landscape Committee** maintains the grounds around Campbell Center in Ashland.
- ❑ **LINK Committee** produces our newsletter. Individual responsibilities include writing, editing, proofreading, taking photographs and meeting deadlines. A newspaper background is helpful.
