

Course of Study in Business Administration at College of the Siskiyou

Articulated with the Bachelor of Science in Business Administration Southern Oregon University

Origination Fall Term 2010 (until revised or terminated)

It is agreed that students transferring from College of the Siskiyou (COS) to Southern Oregon University's (SOU) Bachelor of Science in Business Administration will be given full credit for all selected courses listed on the attached schedule. Students following this program of study will have met SOU's lower-division general education requirements and will be eligible for admission to the School of Business. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both COS and SOU and will remain in effect until it is updated or terminated by COS or SOU.

Baccalaureate students must complete a minimum of 60 *quarter* credits of upper division work before a degree will be awarded and meet all the requirements of SOU prior to graduation. Upper division is defined as 300- and 400-level classes at a bachelor's degree-granting institution.

Transfer students may guarantee their catalog of graduation by obtaining written approval from their SOU major department. The agreed-upon catalog will be the one a student uses when he/she declares the Business Administration degree major at COS. Students must enroll at SOU within two years of this approval. Students enrolling more than two years after completion at COS, will need to seek approval from SOU's Business coordinator.

Course of Study in Business Administration College of the Siskiyous

Articulated with the Business Administration Program at Southern Oregon University

Origination: Fall 2010 - Will remain in effect until updated by COS or SOU

About the Program

The Course of Study in Business Administration has been developed with the cooperation and support of Southern Oregon University (SOU). The Course of Study is fully articulated with SOU's Business Administration program and allows students to transfer and become admitted into the School of Business at Southern Oregon University with no loss of credits to pursue a bachelor's degree. The program offers an excellent balance of business coursework and general education courses that support advanced study in Business Administration.

Students should contact the SOU School of Business early in the first year of their Business Administration program to be advised about additional requirements and procedures for admission to the school or program. Students should be aware of the admission requirements at SOU, including the minimum GPA requirement of 2.25 for all business coursework.

Students should be aware that if they transfer before completing this program, their courses will be evaluated individually toward the general education requirements in effect at SOU.

Entry Requirements

Students who have not satisfied the Math and English general education requirements must take the college placement test to determine skill level and readiness indicated by test scores. As part of their training program, students must begin with the courses within their skill levels as determined by placement test scores. In addition, students may be required to enroll in classes that would increase their employability and success.

Advanced Standing

Coursework from accredited colleges and universities will be accepted in accordance with college policies and the approval of the Dean of the School of Business. To ensure coursework is current, program course credits over 10 years old may be reviewed and approved by the appropriate department head before being accepted toward course requirements.

Graduation Requirements

Students must complete a minimum of 180 quarter credits (equivalent to 120 semester credits) to earn a bachelor's degree at SOU. California students may satisfy SOU General Education requirements by completing any one of these three GE options: SOUGE, CSUGE, or IGETC. These options are described on the next page of this agreement. Completion of CSUGE or IGETC must be certified by COS Counseling Services. Students must earn C- or better in Written & Oral Communication GE courses. For additional degree requirements, visit the SOU Business website listed below, and consult your academic advisor.

Students who have graduated from high school or completed a high school equivalency program in 1997 or after must have the following requirement for admission to a four-year Oregon state college or university: 1) Two years of the same high school-level language, or 2) two terms of college-level language with a grade of "C" or better (may be first-year language which can be used as elective credits).

General Education Requirements for the School of Business Program

There are three possible options for COS students to satisfy General Education Requirements:

1. Complete the COS-SOU General Education requirements:

<http://www.siskiyous.edu/counseling/Documents/Handouts/SOUGE.pdf>

This option requires a minimum of 32 semester credits (33-38 credits is typical). Students must complete the entire SOUGE pattern.

2. Complete the COS-CSUGE requirements:

<http://www.siskiyous.edu/counseling/Documents/Handouts/csuge.pdf>

This option requires a minimum of 39 semester credits (42 credits is typical). Students must complete the entire CSUGE pattern.

3. Complete the COS-IGETC requirements:

<http://www.siskiyous.edu/counseling/Documents/Handouts/igetc.pdf>

This option requires a minimum of 33 semester credits (36 credits is typical). Students must complete the entire IGETC pattern.

Program Specific Requirements..... 24 Semester Credits Required

Number	Class Title	Units
MATH 1050*	Elementary Statistics <i>(formerly MATH 2)</i>	5
