

Associate of Science at Rogue Community College (RCC) Articulated with the Digital Cinema program at Southern Oregon University (SOU)

Origination 2020/21 Academic Year until revisited or terminated by RCC or SOU

About the Program

This Associate of Science (AS) degree is based on a signed articulation agreement with Southern Oregon University (SOU). The program is designed for students transferring to its baccalaureate degree program in Digital Cinema. Students completing this degree will meet the requirements for the foundation courses within the Digital Cinema degree requirements. Students must work closely with advisors in their areas of interest to ensure electives are appropriate.

The curriculum allows for 45 core credits within the major area. By completing all appropriate credits (including electives), students will fulfill required lower division coursework for transfer to SOU. Students should be aware, however, that if they transfer before completing this degree, their courses will be evaluated individually toward the transfer requirements of the college of their choice. Students should contact the SOU Digital Cinema program early in the first year of the AS program to be advised about additional requirements and procedures for admission to the school or program.

Entry Requirements

Students are required to take a placement test to determine skill level and readiness in math, reading, and writing. As part of their training program, students must begin with the courses within their skill levels as determined by placement test scores. In addition, students may also be required to enroll in classes that would increase their employability and success.

Students who graduated from high school or completed a high school equivalency program in 1997 or after must have the following requirement for admission to a four-year Oregon state college or university: 1) two years of the same high school level language, or 2) two terms of college level language with a grade of "C" or better (may be first year language which can be used as elective credits). Students planning to complete a Bachelor of Arts (BA) degree at a four-year school will be required to complete the equivalent of one year of study of a foreign language at the second-year level (or above) before graduation.

Advanced Standing

Coursework from accredited universities will be accepted in accordance with college policies. To ensure that coursework is current, program courses over five years old must be reviewed and approved by the appropriate department chair before being accepted toward core requirements.

Graduation Requirements

The Associate of Science degree will be awarded to students who complete a minimum of 90 credits in this program with a grade of "C" or better. Certain required courses are also graded on a pass/no pass basis only. A grade of "P" for these courses indicates a student earned the equivalent of a "C" or better grade.

Course Requirements for the Associate of Science articulated with the Digital Cinema program at SOU

Writing and Oral Communication 12 credits

WR 121	English Composition I	4
WR 122	English Composition II	4
COMM 225	Small Group Communication and Problem Solving or	
COMM 111	Fundamentals of Public Speaking or	
COMM 218	Interpersonal Communication	4

Mathematics 4-8 credits

MTH 105	Introduction to Contemporary Mathematics	4
---------	--	---

or another Math course from the [SOU General Education Transfer Guide](#)

The Bachelor of Science degree requires two courses (7 or more credits) of math, designated programming, statistics, or logic courses. The second course may be completed at RCC or at SOU. Please see your advisor for more details.

Humanities 9 credits

The courses listed below are required for the RCC AS degree and will transfer to SOU to satisfy the Humanities requirement.

ART 131	Into to Drawing I	3
MUS 208	Film Music	3
WR 241	Imaginative Writing I	3

The Bachelor of Arts (BA) degree requires completion of 1 year of the same foreign language at 2nd year level or above, or 4 years of the same foreign language in high school (C- or better), or successful completion of a proficiency exam. Second year foreign language may simultaneously count for Humanities and the BA requirements. Please see your advisor for more details.

Social Science 9-12

Choose courses from the SOU General Education Transfer Guide to complete the SOU Social Science requirement.

Science 11-12 credits

Choose science courses from the SOU General Education Transfer Guide At least two of the science courses must have labs.

45-49 credits of SOU General Education

Core Courses to be completed at RCC

DDM 125	Introduction to Digital Photography	3
DDM 130	Introduction to Web Graphics	3
DDM 160	Digital Imaging (Photoshop)	3
DDM 170	Motion Graphics (After-Effects)	3
DDM 180	Introduction to Digital Video (Premiere)	3
DDM 181	Advanced Digital Video	3
DDM 190	Introduction to Animation (Animate)	3
DDM 200	Survey of Design and Film History	3
DDM 229	Portfolio and Professional Practices	3
DDM 230	Studio Capstone	3

Total: 30 credits

Other courses required for the completion of the AS degree at RCC

LIB 127	Intro to Library Research Methods	1
CIS 195	Web Authoring I (HTML/CSS)	4
Electives		6-10 credits

Total Credits 90
