notifications/](https://sou.edu/campus/notifications/)

* Sign up for SOU Alerts on this page. To receive notifications, register under the "Sign-up for SOU Alerts and Notifications" heading about halfway down on the right-hand side of the main COVID-19 webpage.

If students choose to not follow University policy or guidance, they will be held accountable to the Code of Student Conduct. As in other cases involving university policy, procedure, or guideline violation(s), non-compliance will be reported using the SOU Cares Report. From there, the appropriate outreach to the student will occur to review and resolve the matter.

Preparedness Checklists

Make sure you have:

- At least two face coverings with you when you return
- Thermometer to check your temperature every day
- Hand sanitizer
- Individual personal items
- Cleaning wipes for surfaces and technology

Daily reminders:

- Complete daily health check-in
- Wear your face covering
- Maintain social distancing of at least 6 feet
- Practice good hygiene
- Call the Student Health and Wellness Center if you feel sick or think you have been exposed (541-552-6136)
- If you feel sick, do not come to campus

We are all in this together.

The safety of our students, faculty and staff are our highest priority.

This information is provided to ensure the safety of our Raider community.

Keeping Your Raider Community Safe

Raider up

In order to keep our community safe, all students, staff, faculty and visitors will be required to follow these practices:

- Complete daily health screenings
- Wear face coverings over the mouth and nose
 - * In all public spaces, including outdoors
 - * Students unable to wear a face covering should contact Disability Resources to discuss remote accommodations
- Maintain social distancing
 - * Stay a minimum of 6 feet of distance away from others
- Practice good hygiene
 - * Wash your hands for 20 seconds often
 - * Frequently clean surfaces
 - * Sanitize anything you touch
 - * Do not share personal items
- Consider getting a flu shot as soon as they are available

*(Watch **Inside SOU** for details of a free flu clinic.)*

Health Maintenance

- Prior to coming to campus:
 - * Lower exposure for 14 days prior to arriving for classes or to University Housing by limiting social contacts, etc.
- Stay home and call Student Health and Wellness Center (541-552-6136) or your medical provider if you:
 - * Are experiencing any flu-like symptoms or feel ill
 - * Tested for COVID-19 and are awaiting results
- If you test positive for COVID-19:
 - * Call the Student Health and Wellness Center (541-552-6136)
 - * Isolate for 10 days from the onset of symptoms and 24 hours after symptoms resolve without medication aides
 - * Follow Jackson County public health guidance
- Expectations:
 - * We operate as a community of care and hold each other accountable to the policies, procedures, and guidelines of the university
 - * If you or anyone else is in need of support, file a Cares Report to receive supportive outreach from the Office of the Dean of Students
 - * If you see anyone not abiding by our shared expectations, file an SOU Cares Report

University Housing Residents and Visitors

- If university housing is your new “home” you will have a new “campus family.” This includes your roommate and suitemates.
- If you are in your room/suite with only your “campus family,” you can interact with them without a face covering while in your room or suite.
- Visitors to your room or suite are discouraged, however, if any visitor or guest comes into this space, everyone is required to wear a face covering.
- Face coverings must be worn in all common spaces of residence halls, including hallways, stairways, elevators, and meeting or recreational rooms.
 - * You may only remove your face covering when eating at the Hawk or if you choose to take food back to your suite.
- When you enter your suite or room, wash your hands and clean any shared surfaces.
- If anyone from your “campus family” is tested for COVID-19, everyone will be quarantined and may be asked to get tested.
