Parking Lot 16 Registration for OLLI Members

If you register your license plate and vehicle in advance, OLLI members may park for **free** in Lot 16 next to the Campbell Center on the corner of Frances and Oregon Streets.

Parking registration with SOU Parking Services must be renewed every school year (September through June) for each vehicle. You do not have to renew your registration each term. You can register anytime during the school year and your registration will expire at the end of that current school year.

In order to qualify, email SOU Parking Services at parking@sou.edu and include the following information:

- You are an OLLI at SOU Student
- You want to park in Lot 16
- Name
- Address (Note: If previously registered for Lot 16 please indicate if this is a new address.)
- Telephone number
- Email address
- License plate state
- License plate number
- Vehicle Make
- Vehicle Model
- Vehicle Color

If you will be parking more than one vehicle in the lot, you must register each additional vehicle. You will not receive a parking sticker to put on your car after you register your vehicle. SOU no longer issues parking stickers. Instead, after you register, your vehicle will be entered into the SOU Parking Services computer system as a registered student commuter.

OLLI at SOU assumes no responsibility for any parking tickets you may receive while parked in this lot. If you have any questions or concerns, please contact SOU Parking Services at 541-552-7275.
