Priority Registration

This phase of registration increases your chances of getting the course(s) you want in your 1, 2, 3 order (but is no guarantee). The computer-generated lottery fills each course with members requesting only one course first. If seats remain, it then fills the remaining seats according to the 1, 2, 3 order shown below. Results are emailed to members.

Note: Please ensure that the course number has the correct letter at the end for an in-person class. A = Ashland, M = Medford – for example, PERS310A. No letter at the end = online course – for example, SOC130.
