Community Support:

In 1952, the local community raised over \$800,000 to purchase and donated the 6,100 acres that Little Rock AFB sits on today. Since it first opened its gates in October 1955, the base and community have enjoyed a prosperous symbiotic relationship. With numerous mission changes to include reconnaissance, strategic bombing, nuclear missiles and tactical airlift, the community support has ensured the Airmen were always supported. With unwavering assistance, the base will continue to succeed largely in part to the local citizens.
